Collar armour foam

The diagram shows a U-shaped template for a padded collar armor. It features a central rectangular area for foam padding, outlined in green with an 'X' across it. The padding is bordered by a red line. The outer edge of the collar is marked with a blue line. Several text labels provide assembly instructions: 'Hook side velcro Glue to back of foam' is written vertically on the left and right sides; 'Glue collar armour here' is at the top center; 'Hook side velcro Glue to back of foam' is inside the padding area; and 'glue around foam padding' is at the bottom center.

Hook side velcro
Sew to Back of assembly

The diagram shows a rectangular assembly with a light blue border. Inside, a red line forms a rectangle. Within the red rectangle, a green line forms a rectangle. Diagonal green lines cross at the center of the green rectangle. A vertical black line runs through the center of the entire assembly. Text labels are placed within the diagram: 'Hook side velcro' and 'Sew to Back of assembly' are in the upper right, and 'glue around foam padding' is in the lower right.
